Booker Venue - The Ethical Venue Finder has been crowned:

Most Socially Conscious Venue Booking Service - UK

I am so pleased to have won this award and especially for the category as when I started the business one of my main focus's was to be socially conscious and ethical and stand out from the crowd for all the right reasons.

To say I am thrilled is an under-statement! Thank you to all my wonderful clients for your continued support and to all those venues who help me achieve great results!

Fabulous Familiarisation Trips

Over the past few months and beyond, I have been lucky enough to arrange some fabulous trips for me and clients to see some amazing venues.

We saw the Fabulous **Grove Hotel** in June which a marvellous night was full of luxury and laughter!

Then we went to **Lucky Voice Holborn** and managed to knock out a few tunes albeit slightly out of key but again a great venue and a great time had by all.

The **Adventure Bar Group** hosted a group of us at 3 of their london venues! Such unique bars with fabulous cocktails and perfect for a team night out or party.
