When the time is right!

It's never too early to start planning your next event! Whether for the Spring, Summer or Christmas, I am ready and waiting to help you find the perfect venue or activity. UK or globally, I can help with it all!

Some of my clients are already booking their Christmas Parties whilst others haven't yet started thinking about their Spring conference! I don't mind how you work; I am just happy to help when the time is right!

Date for your diaries

In 2018 when I started the business, I had a launch party! Last year I had a 1-year birthday party! This year I am planning a fun evening to say thank you to all my clients and welcome new ones too!

Please put **Thursday 30th April** in your diaries. I will be hosting a fun evening in central london with lots of perks and fun for all. Invites will follow shortly with more information but please make a note and tell a friend as your invite will include a plus 1!!!

February is a time to 'Share the love'

I am always so grateful for recommendations and referrals so please keep them coming! The more bookings I get, the more I can donate to charity.

In the spirit of sharing the love, I sadly recently lost one of my closest friends to cancer. Her family have asked for donations to Macmillan so I will be donating an extra 5% of my profit from events booked for March 2020 to this amazing charity who help people like my dear friend Wendy.

Competition Time!

WIN Afternoon tea for 2 at the 5-star Kimpton Fitzroy London!

This stunning hotel really is a great option for meetings and conferences alike, beautifully renovated and perfectly located.

For your chance to win this fabulous prize, all you need to do is email me with the subject line

'I Love Booker Venue because'

The winner will be announced on Friday 28th February!
